
Joint effects of petco2-to-map fluctuation sd ratio and petco2-to-map pathway band-gain ratio
A MAP complex-error model advantage
B PETCO2 complex-error model advantage
C MAP fraction with lower MISO error
D PETCO2 fraction with lower MISO error
PETCO2-to-MAP pathway band-gain ratio
PETCO2-to-MAP fluctuation SD ratio
Mean log10(SISO error / MISO error)
Fraction with lower MISO error
